

At Capital One, we dare to dream, disrupt, and deliver a better way. Our goal is simple—bring ingenuity, simplicity, and humanity to an industry ripe for change. Founder-led, Capital One is on a mission to change banking for good and to help people live their best lives. Together, we will build one of North America's leading information-based technology companies. Join us.

Culture & Community: We're reimagining money and the way people interact with it. We think and act like a tech company, employing cutting-edge technologies and real human insights to improve the lives of millions of people. We're a unique and passionate team of doers, dreamers, and disruptors.

Diversity & Inclusion: Big ideas can come from anyone, anywhere. We each come to the table with a unique point of view shaped by our life experience, culture, and passion. We believe that to reimagine money—to infuse simplicity, ingenuity, and humanity into banking—we must harness the power of our collective wisdom. Only then can we truly bring our best for our customers and each other.

Values: A supportive, collaborative environment is what brings us together and keeps us together. We are driven by relentless innovation, and we strive for excellence. Above all else, we stand behind integrity and respect for our customers. At Capital One, we do the right thing because it's the right thing to do.
