

CENTENNIAL COLLEGE

Centennial College is Ontario's first community college. It was established in 1966 and primarily serves the eastern portion of the Greater Toronto Area through four campuses and seven satellite locations. Our college is best known for its record of exemplary teaching, innovative programming and extensive partnership building.

Centennial is recognized as one of the most culturally diverse post-secondary institutions in Canada. Almost 100 ethno-cultural groups are represented and 80 languages are spoken on campus.

Our four campuses and eight schools produce future leaders.

At Centennial College, our vision is to transform lives and communities through learning.

Statement of Diversity

Centennial College and its Board of Governors value and embrace diversity, equity and inclusion as fundamental to our mission to educate students for career success within a context of global citizenship and social justice.

We recognize that historical and persistent inequities and barriers to equitable participation exist and are well documented in society and within the college.

We believe individual and systemic biases contribute to the marginalization of designated groups. These biases include race, sex, gender, sexual orientation, age, disability, ancestry, nationality, place of origin, colour, ethnicity, culture, linguistic origin, citizenship, creed (religion, faith), marital status, socio-economic class, family status, receipt of public assistance or record of offence. We acknowledge that resolving First Nations sovereignty issues is fundamental to pursuing equity and social justice within Canada.

We acknowledge the richness and diversity of the community we serve. As our community has evolved, and our staff and student population have changed, we have implemented policies and practices to address issues of inclusion. In moving forward, we will build on this work to embed commitment to diversity, equity and inclusion in every aspect of what we do.
