

Being an Investors Group financial advisor

Investors Group is one of Canada's leading financial services companies, with a history that spans eight decades. Known for our personal approach, we can help you build a prosperous and successful practice helping clients to achieve their financial goals.

With the strength of a nationwide brand behind you, Investors Group enables you to succeed in today's complex financial services market. We invite you to talk to us, and together we can help you decide if this is the right opportunity for you.

Financial advisors come from a wide range of backgrounds and bring a variety of skills to their personal practice. As an Investors Group financial advisor, you will have the advantage of:

- Flexibility
- Control of Your Career
- Industry-Leading Training
- Mentorship and Support
- Exceptional Income Potential
- Support for community involvement

Great careers start at Investors Group

We believe that our greatest resource is our people. Each person's potential represents the future of our company, and we encourage enthusiasm and initiative in every aspect of employment. We will strive to provide you with an opportunity that is both challenging and rewarding, and look to you for a strong personal commitment to the company's goals.

At Investors Group, we are committed to providing opportunities for personal and professional growth. Our financial advisors are backed by the strength of a nationwide brand, as well as industry leading training and development, and the opportunity to earn unlimited income. In addition, new, qualified financial advisors may receive a higher quarterly income through their first two years, providing them with the opportunity to focus on attaining their professional goals.

Our employees are provided with the tools and resources they need to enhance and build their knowledge, skills and abilities through educational support and training programs.
