

## Build your Career with Levitt-Safety!

We are **Levitt-Safety**, Canada's leading equipment and service supplier. We offer a complete range of products, services, training and rental options.

We partner with leading-edge customers across every industry to provide the highest level of expertise, products and services to help them solve their fire, safety and environmental challenges. With 85 years of experience, we are proud to be the leading specialty supplier of safety equipment in Canada. We have 19 locations from coast to coast and 10,000 customers who count on our products, services and training solutions to get their workers home safe at the end of each day.

As a company, we are committed to fostering a culture of growth and learning through our continuous internal and vendor-provided training, development plans, certifications and interdepartmental growth opportunities. We are proud to say we have been a Canada's Best Managed Companies winner since 2012 and are committed to building and driving a culture that makes Levitt-Safety a great place to work!

Join a team that is truly committed to making Canada a safer place to live and work!

### Our company values:

Levitt-Safety is a company backed by a history of excellence. We have earned and are able to maintain this reputation because our company is built on the shared belief that success is the result of having satisfied customers, as well as employees.

These beliefs are reflected in our company values:

- Respect for people
- Outstanding service
- Continual improvement
- Safety matters

### Why choose Levitt-Safety?

Levitt-Safety offers an unmatched experience in which you enjoy working alongside unique individuals as true colleagues while working towards our common goal of making Canada a safer place to live and work.

We work hard to provide a challenging and inspiring work environment where input and ideas are encouraged and truly valued.

Levitt-Safety is an equal opportunity employer who makes a difference in the marketplace while protecting our customers' most valuable assets.
