

We're building change in Brampton. The urban centre we serve is on to the youngest, fastest growing, most diverse cities in the country. We're aiming high and thinking big, to position Brampton as an emergent global city of the future.

Leaders in our organization understand success requires passion, creativity and agility. We value progress over process. We hold each other accountable. We are a team who is engaged, excited and empowered to deliver results for Brampton.

There are so many reasons to imagine your future in Brampton – our employees are dedicated to the work they do and the citizens they serve. Many join the organization because they want to expand their skills or are looking for a challenge and the chance to make an impact on the community.

Brampton has the ability to provide you with the options you are looking for. During your employment, you will be supported by a team of professionals who care about your success and career satisfaction.

Opportunities and challenges await you!

Each day represents a new challenge that our staff tackle with enthusiasm. From customer service, to IT infrastructure, to asset assessment and evaluation – the diversity of opportunities is endless.

The City is an equal opportunity employer. We are committed to inclusive, barrier-free recruitment and selection processes and work environments.
