The Communications Security Establishment is Canada's national cryptologic agency.

It's possible that you have never heard of CSE. As a security and intelligence agency, we aren't known to keep a high profile. Our organization works quietly, competently and tirelessly doing Top Secret work to protect our way of life. While we can't say too much about what we do, it's no secret that CSE is an excellent career choice. We are one of the National Capital's Top Employers.

Life at CSE is all about bringing together some of the brightest and most talented minds in Canada to share ideas and inspire each other in a supportive work environment that thrives on innovation. CSE employees are a diverse group with expertise in many different areas. What unites us is a shared desire to succeed - because everyone here has a vital part to play in our mission.

Diversity

CSE's work is all about protecting Canadians- our interests, our communities and our livelihood - so it's important to us that we reflect the richness of society in our workforce.

At CSE, we believe in embracing new ideas and new approaches from the people that matter - our employees.

We recognize that CSE employees are all individuals. And as individuals, we want you to feel connected to your work, and respected and valued for the different contributions that you can make.

By embracing individuality and creating an inclusive culture we aim to enable everyone to simply be themselves at work. We understand that when you feel able to give your best, we all win.

CSE offers exciting career opportunities, in a dynamic and diverse environment. Join CSE!
