## Recipient of the 2015 OECD Promising Innovation in Transport Award - Hands Free Mooring

### AT THE SLSMC, EFFICIENCY GOES HAND-IN-HAND WITH RESPONSIBILITY

The Seaway is an essential part of the North American transportation infrastructure and a lifeline to business with the rest of the world. The Corporation moves an astronomical amount of raw materials and finished cargoes from a vast network of ports to worldwide markets, in a **socially and environmentally responsible manner**.

We are delighted that you are interested in exploring the exciting career opportunities offered by The St. Lawrence Seaway Management Corporation (SLSMC).

What will you find when you join one of Canada's most important transportation gateways? Innovation! With the SLSMC, you will have the opportunity to expand your abilities and talents in an environment that embraces leading-edge technology, offers a safe and healthy workplace, a balanced lifestyle and opportunities for ongoing training. Working at the SLSMC will make you part of a work environment that is committed to the core values of safety, integrity, collaboration, respect and innovation. Discover the value that we are creating for our customers, employees and the North American economy as we transform and modernize the Seaway. Explore the possibilities!

**Setting the stage for success...** That's what motivates us and makes us stronger. At the SLSMC, we unite exceptional talent and provide them with an exceptional environment that includes a safe and secure workplace, a balanced lifestyle and opportunities for ongoing training that are unparalleled in the industry.

The SLSMC team is made up of versatile, motivated and accountable professionals who possess the necessary skills to create and share in the success of our organization.

Our commitment to a safe and healthy work environment, comprehensive benefits and value-added work helps us attract and retain employees of the highest quality.
