

SAMSUNG

Samsung is an amazing place to work with great people, an outstanding environment, extensive support for employees, and the opportunity to be a part of innovation that makes a real difference in the lives of millions of people worldwide.

It's because we are different that each of us is special. Embracing diversity brings different experiences and perspectives that help us build a better tomorrow.

Working at Samsung

Be a part of meaningful innovation

Take on big challenges

Throughout our history we've taken on big challenges and we strive to be the very best at what we do. This spirit is the driving force that has made us a global leader and sustains our ambition to develop cutting-edge technologies that push the boundaries of what's possible. Come join us as we take on the next big challenges of the future.

Shape the future

It is the creativity and diversity of the people who work at Samsung that has made us one of the world's most innovative companies, and our people continue to drive our innovation forward. We have a passion for what we do, and our work environment is open and collaborative which facilitates sharing of the unique knowledge and expertise that each individual brings. This is a place where you can work with great people and your ideas can be brought to life in new products and solutions that are shaping the future of how we live.

Make an impact

What makes working at Samsung meaningful is knowing that you are playing an important role in bringing new technologies to the world that improve people's lives. Our innovations empower and enable people in new ways, and we employ our technology to contribute to growth and development in the communities in which we operate and around the world. Here at Samsung you have the opportunity to do truly meaningful work that has a positive impact in the world.
