## About Shaw

Shaw is a leading Canadian telecommunications company. In a world where being connected has never been more critical, Shaw brings the best internet, wireless, video and home phone technology together to provide individuals, families, and businesses with the solutions they need to live their best-connected lives.

Our teams are always working on new ways to deliver power, speed, resilience, and exceptional customer experiences. And while our network is remarkable, it's the diverse mix of brilliant people at Shaw that really makes us shine.

At Shaw, we are brighter together.

## Our Mission

Our mission is to brighten the future for Canadians with industry-leading Internet, Mobile, Television, Satellite and Business connectivity solutions. Our engaged team of employees delivers this through excellent customer service, improving the lives of our customers and communities.

## Development opportunities

All roles at Shaw come with the opportunity to develop and advance. Every year about 2,000 employees are promoted into new roles that match the skills and training they've acquired.

## Diversity

**You Belong Here:** We embrace diversity, celebrate different perspectives and work to create an environment that empowers our people to bring their whole selves to work. Diversity enhances our culture and creates value for our employees and customers. Celebrating our differences is a key part of how we grow as a company.

**Everyone is Welcome:** Embracing diversity of thought and perspective fosters innovation.

## LOVE YOUR JOB!

It sounds simple, but it's a big job. To get it done, we need a rich and diverse group of employees. Why not join us? Our teams at Shaw and Freedom Mobile could use your talents, focus and unique perspective.
