

**Leading
with
Inclusion
brings our work
to the next level**

Design with community in mind.

Stantec is a top-tier global design and delivery firm—operating in all 6 continents with over 350 locations. We care about the global communities we serve—because they're our communities too. We're designers, engineers, scientists, and project managers, innovating together at the intersection of community, creativity, and client relationships.

At Stantec, we create opportunity by inviting, embracing, and celebrating differences. This goal remains at the heart of our efforts to champion inclusion & diversity throughout our organization. To achieve that goal, we continue to build an inclusive workplace that empowers and inspires— but also attracts and nurtures the very best talent from all over the world. We want our community to be inspirational—a place that attracts the best and brightest, where everyone feels free to be true to themselves.

**Redefine
your
personal
best**

Create your own path.

Design your career through our numerous advancement opportunities, including professional development programs, continuing education programs, and professional association memberships. Whether you're interested in managing a part of the business, specializing in project management, or developing your technical skills and becoming a subject-matter expert in your practice, we put people first and have the resources and world-renowned experts to get you on the right path.
