### **Our Culture Drives Us**

Our strong corporate values are at the core of how we conduct our business, serve our clients, support our communities and challenge business as usual. We're proud that State Street Global Advisors' Fearless Girl campaign, which called on companies to add more women to their boards, has impacted business practices around the world.

### **Inclusion and Diversity**

We strive to be our clients' essential partner. Our continued success depends on our ability to attract and develop the best talent. That's why we're keenly focused on employee development, corporate citizenship and inclusion.

We are working toward a more inclusive and sustainable business.
