

Be more. More skilled. More involved. More inspired.

The team at SYKES Canada has come from many different backgrounds and industries. We have all arrived at this place because we have been attracted by the idea that a company could be devoted to helping others and still make a profit. Our team at SYKES Canada has built—over several decades—a culture centered on helping others by helping one another.

Look for your next career in one of these areas:

- Contact Center Services
- SYKES Assistance
- Work at Home
- Management Positions

Helping is at the core of our business model. Makes sense that it'd be at the core of our people, too.

The soul of our company—and its core focus—is service to others on behalf of others. A spirit of service is woven into the fabric of our culture, but this attitude and mindset extends far beyond our desks.
