

What sets us apart

Imagine a supportive employer, a career that fits your lifestyle, and endless learning opportunities. With AHS, you can have all of that, and more. We strive to empower our employees, and work together to create an environment where everyone can succeed.

From nurses to power engineers, housekeepers to physiotherapists, and numerous other careers, there's a place for you here. No matter what your role, working with us is about making a difference – every day.

Our People Strategy – which is about creating a culture in which we all feel safe, healthy and valued so that we deliver safe, quality, patient and family-centred care to Albertans every day.

Healthy Albertans. Healthy Communities. Together.

We're passionate about what we do. Our team of skilled and dedicated health care professionals, support staff and physicians who promote wellness and provide health care every day, all across Alberta.

Everything we do at AHS reflects a patient and family centred approach; it's about putting patients' and families' experiences, priorities and trust first.

We are an equal opportunity employer. AHS values the diversity of the people and communities we serve and is committed to attracting, engaging and developing a diverse and inclusive workforce.

We're one of Canada's Top Employers

We have been recognized as one of the best places to work in Canada, a strong endorsement of the care provided to Albertans by our staff, physicians and volunteers every day.

Our five values – compassion, accountability, respect, excellence and safety – are at the heart of everything that we do. They inspire, empower and guide how we work together with patients, clients, families and each other.
