

GO BEYOND

Pratt & Whitney Canada

We are a global team of approximately 10,000 devoted employees worldwide passionate about designing, building, servicing and supporting technology that moves the world of aviation forward.

With offices and facilities around the world, we constitute a highly dynamic, culturally diverse group of people. We are known for our culture of innovation and investment in R&D, our commitment to employee career advancement, and for encouraging each other to pursue both our professional and personal goals.

POWER YOUR LIFE

Go Beyond with a career at Pratt & Whitney

DYNAMIC AND REWARDING

Working at P&W is challenging, rewarding and inspiring. We offer a progressive and healthy workplace where skills and ideas are valued; where passion for innovation is indulged and personal ambitions are nurtured. We are passionate about advancing our careers, living life to the fullest, and working as a team to transform the future of aviation.

WHY CHOOSE PRATT & WHITNEY?

We are passionate about advancing our careers, living life to the fullest, and working as a team to transform the future of aerospace.

We believe in you. Join us!

DIVERSITY & INCLUSION

Promoting employment equity is one of our priorities at Pratt & Whitney Canada. By actively welcoming talented and qualified men and women from all backgrounds and communities including Aboriginal peoples, persons with disabilities, military veterans or members of visible minorities and the lesbian, gay, bisexual and transgender community – we strive to represent the world at its best, set an example for other organizations and reap the benefits of becoming stronger and more successful through the addition of fresh and different voices.
