

Fleming College

Located in the heart of Kawartha Lakes and within a one-hour drive of the GTA, Fleming College is surrounded by the natural beauty of cottage country – a beautiful place

to live and work. Offering more than 100 full-time programs across a multitude of disciplines, at campus locations in Peterborough, Lindsay, Haliburton and Cobourg, the College is home to 6,800 full-time programs and 10,000 part-time students, including almost 1,800 international students from around the world. We are also extremely proud of our more than 73,000 Fleming alumni who are contributing to their communities.

In June 2019, a bold five-year strategic plan was launched under the inspirational banner “Our Fleming. Our Future”, which re-defines the role that Fleming will play in providing students with the skills, innovation, resources and acumen necessary to thrive in the jobs of tomorrow. The 2019-2024 Strategic Plan positions the College as an innovator in future program design and delivery, technology adoption, inclusive and highly integrated student and faculty, and innovative partnerships that will elevate Fleming’s local, regional, and global profile and attract new students and faculty.
