

Seeking innovators

Joining AbbVie means you will be part of a team of outstanding professionals dedicated to making a remarkable impact on patients lives.

At AbbVie, we conduct ground-breaking science on a global scale every day. AbbVie Canada is one of a **Great Place to Work** whereby 97% of our employees are proud to say they work for AbbVie and 96% are proud of how we contribute to the environment. In choosing your career and life path, choose to be remarkable.

AbbVie is a global, research-driven biopharmaceutical company committed to developing innovative advanced therapies for some of the world's most complex and critical conditions. The company's mission is to use its expertise, dedicated people and unique approach to innovation to markedly improve treatments across four primary therapeutic areas: immunology, oncology, virology and neuroscience.

Equality, Diversity & Inclusion

Embracing equality, diversity and inclusion is fundamental at AbbVie.

Equality is appreciating differences and treating people with dignity and respect. It is the fair treatment of people regardless of their visible or less visible characteristics such as gender, race, physical or mental disability, religion, nationality, sexual orientation or age.

Diversity is valuing and sharing an infinite range of ideas, viewpoints and backgrounds to broaden our perspectives. We seek to build diverse teams at every level of the organization.

Inclusion is actively accepting each person as an important part of our organization and encouraging collaboration between individuals and teams with different points of view. Inclusion enables a sense of belonging and it is how we create the most value from a diverse team.
