

HELP US DESIGN THE FUTURE

We are a collaborative team of experts that thrives on challenge and unconventional thinking. Channeling our curiosity into creating progressive solutions to complex issues is both our mission and our passion. Join us in doing purposeful, sustainable work that helps shape our communities and the future.

We are environmentalists, management consultants, civil engineers, planners, sustainability specialists, acousticians, CAD designers, computer whizzes, and accountants – to name a few.

We are locally dedicated with international scale

Our strength is our ability to adapt to our client’s culture and local markets. As a global multi-disciplinary business, we offer a wide variety of rewarding career opportunities, from working in specialist areas to contributing to some of the world’s most iconic projects.

And although we are a large global business, we aren’t tied down by bureaucracy. We strive to give our people the freedom and flexibility to make their own decisions, whether this is in their daily work or for progressing their career.

WHO WE ARE

We are the sum of our collective passion, vision and expertise. Discover the people, purpose and stories that are helping shape the organization we are today and the one we are designing for the future.

Discover a forward-thinking culture that incorporates some conventional yet non-negotiable qualities—like respect, integrity and trust. We welcome to the table all perspectives, strengths, skills, creeds and genders because we know that diverse ideas breed extraordinary results.

Embracing a Diverse and Inclusive Culture

True to our Guiding Principles, we are humble and act with moral and intellectual integrity, keep our word, treat everyone with respect, support our colleagues, and embrace diversity. We are a diverse people business, proud to be working for a wide variety of clients. We are committed to building an inclusive culture that respects and maximizes the contribution of all our employees.

Our intent is to:

- Ensure fair and equal treatment of employees;
- Embed a culture of diversity and inclusion globally;
- Provide employees with the best opportunities to fulfill their potential;
- Respect and protect human rights of employees and contractors.
