**Why work in a Shoppers Drug Mart store?**

Each store has an Associate-Owner, so you will work for a local business owner while having the support of a national brand. Benefit from a purchase discount program, flexible and varied schedules, competitive pay and online learning.

Take ownership of your work and find more ways to care about your patients, co-workers, customers and community. Associate Owners in the Shoppers Drug Mart network recognize Canada's diversity as an opportunity to better serve their communities, and strive to reflect the nation's evolving diversity in the products they sell, the people they hire, and the culture they create in their stores.

Accommodation is available upon request for applicants and colleagues with disabilities.

In addition, we believe that compliance with laws is about doing the right thing. Upholding the law is part of our Code of Conduct – it reinforces what our customers and stakeholders expect of us.

**Diversity**

Shoppers Drug Mart recognizes and reflects diversity – a source of national pride and strength. As an equal opportunity employer we strive to reflect the diversity of our country in the products we sell, the people we hire, and the culture we create in our organization.

Here, we value the different perspectives, experiences and contributions that are available from a diverse workforce.

We encourage employees to celebrate their diversity and learn from each other so that we can foster an inclusive workplace for all.
