

Building global, iconic brands people trust and champion

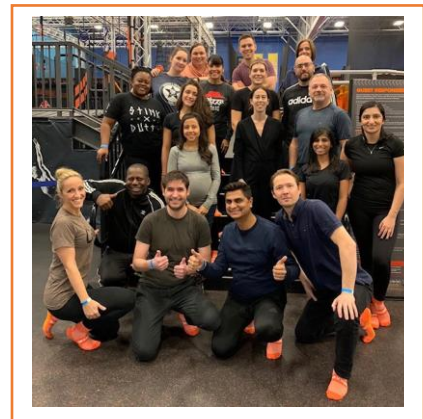

Yum! Brands, Inc., based in Louisville, Kentucky, has over 50,000 restaurants in more than 150 countries and territories primarily operating the company's restaurant brands – KFC, Pizza Hut and Taco Bell – global leaders of the chicken, pizza and Mexican-style food categories. The Company's family of brands also includes The Habit Burger Grill, a fast-casual restaurant concept specializing in made-to-order chargrilled burgers, sandwiches and more.

We're also extremely proud of the 1.5 million employees and franchise associates in our system around the globe and the unique culture we've built grounded on innovation, inclusion and growth. We believe in our people, trust in their positive intentions, encourage ideas from everyone and have actively developed a workforce that is diverse in style and background.

In Canada, we have our 3 brand – KFC, Pizza Hut & Taco Bell operating out of the Regional Support Center in Vaughan, Ontario. Each brand has their own set of functions & are always looking for new potential talent. We don't ever want to blend in: pushing boundaries is part of our heritage. We never stop driving ourselves to deliver the most delicious innovations in the industry. All made possible by our flavour, innovation and, most importantly, by **unlocking potential** in our teams.

We're committed to socially responsible growth and believe that investing in the right recipe today will create more goodness tomorrow for our customers, employees, communities and the planet. Our Recipe for Good lets us deliver on this promise by concentrating our efforts on three priority areas most important to our business: People, Planet and Food.
