

Sanofi is comprised of three core business units: Specialty Care, Vaccines and General Medicines. Consumer Healthcare will become a standalone business unit. Around the world, more than 100,000 people at Sanofi are dedicated to making a difference in patients' daily lives, wherever they live, and enabling them to enjoy a healthier life.

Do you have what it takes for a successful career with Sanofi?

- Courageous

- Team player

AN OPEN AND INCLUSIVE ENVIRONMENT WHERE YOU CAN BE YOURSELF

As a company that respects cultural differences, Sanofi depends on the diversity and talents of its employees to be more innovative, effective and competitive. With an equal focus on recruitment and retention, our global diversity charter serves as a continuous reminder of our pledge to embrace and foster the development of every individual at every level of our organization regardless of gender, ethnic origin, sexual orientation, religion, age or disability.

Empower yourself to Thrive

Health & Wellness

Sanofi cares about the health and well-being of our employees and their families. As part of our commitment to well-being, Sanofi provides robust Health & Wellness benefits.

Financial

To ensure employees are equipped for financial health, Sanofi provides a competitive total rewards package.

Work Life

At Sanofi, we know there's more to you than the work you do. We provide significant Work/Life benefits to help you excel beyond the workday.

Culture

At Sanofi, we demonstrate our commitment to inclusion and diversity through employee resource groups and programs. There are many ways to make a difference and connect with other Sanofi employees.
