

WESTON FOODS

Weston Foods is a leading North American bakery company with a specialized focus across all key bakery categories, including breads and rolls, donuts, pies, cakes, alternatives breads, and others. We bake our products in more than 50 facilities across Canada and the USA, conducting our business with integrity, contributing to our communities, and fostering a respectful culture. We are building a culture of success here, and it depends on our people striving for greatness and having the courage and commitment to getting better every day.

As we forge ahead in the transformation of our business, we are coming together as a united North American enterprise, rebuilding our asset base, adding significant new capacity, and focusing on the development of our people. These building blocks are essential to moving forward as a growth-focused, insights-driven, consumer-led company that will celebrate food and the central part that food plays in our life.

WORKING AT WESTON FOODS Commercial, Corporate, and Bakery Leadership

Where World Class Talent Rises

It takes world-class talent to become North America's premier bakery. It also takes a supporting culture that allows talent to thrive.

At our headquarters in Toronto, Canada, and at regional offices across the GTA, and in Indiana, Ohio, Arkansas, and elsewhere, our sales and marketing, manufacturing, finance, IT, HR, and integrated supply chain and bakery leaders connect and collaborate daily to drive Weston Foods forward. Each new day presents an opportunity to grow together and become the premier North American bakery.

Bakery Teams

Fast Paced. Hands-on. Must Love Bread.

Ready for a tasty new challenge? Many of our bakery managers and supervisors began their careers on the front line. With facilities in more than 40 locations across Canada and the U.S., Weston Foods offers opportunities in production, maintenance, quality control, sanitation, warehousing and engineering.

If you're ready for a career with a company that rewards hard work and provides opportunities to grow, we'd love to meet you.
