

L3Harris has provided products and services in Canada for more than five decades. Working with federal and provincial governments, crown corporations and civilian industry, our technologies support complex missions in defence, public safety, commercial aviation, law enforcement and environmental/remote sensing. With more than 2,300 Canadian employees, L3Harris is one of Canada’s largest and most diverse defense and security companies. L3Harris is committed to adding value to the Canadian economy through high-tech jobs, innovation, diversity and designing solutions for the future.

- More than \$1B CAD invested in Canada since 2001
- Over \$2.5B Canadian Industrial Technological Benefits obligations
- 800+ suppliers across Canada

L3Harris is the leading multi-spectral imaging system provider with more than 4,700 fielded systems operating in over 80 countries. The company is a world leader in electro-optical and infrared (EO/IR) systems, with advanced manufacturing of Intelligence, Surveillance and Reconnaissance (ISR) components.

At L3Harris, we inspire excellence. Across air, land, sea, space and cyber domains, our customers perform on the world’s most challenging frontlines – and we are proud to employ innovators and problem solvers dedicated to delivering mission critical solutions our customers depend on. Our commitment to speed, innovation and flawless execution are matched only by our dedication to providing every employee with an inclusive environment with rewarding career opportunities.
