

WE'LL TAKE YOU THERE

We're fueled by a pioneering spirit that carries us beyond. And together we enable highly skilled people to continually push boundaries and tackle big challenges requiring solutions that endure and inspire.

Serving the world from our Canadian home and our global offices, MDA is an international space mission partner and robotics & space operations, satellite systems and geointelligence pioneer with a 50-year story of firsts on and above the Earth. Today, we're leading the charge towards viable Moon colonies, enhanced Earth observation, communication in a hyper-connected world, and more. Together with our many intrepid partners, we're working to change our world for the better, on the ground and in the stars. For those who dream of advancing our space in the Universe and on Earth, we'll take you there.

JOIN US

A SPACE FOR YOU

Every day, over 2,000 people in Canada, the US and the UK bring their best to our mission of advancing humanity's place in the Universe and on Earth.

The space sector has entered a new era of exploration and development, and MDA welcomes all who yearn to suit up and be part of it. We're a dream team of purpose-driven, collaborative and passionate people, and we are constantly looking for others to join #MissionMDA to ignite new and innovative approaches to problem-solving that push us forward to improve life on and above Earth.

Are you ready to launch the next stage of your career in the new space economy? We would love to hear from you!

An equal opportunity employer prizing diversity, integrity and collaboration, we are engineers, marketers, program managers and much more, all committed to growing MDA's and Canada's leadership in this next golden age.
