G3 Canada Limited is a progressive and continuously growing company. As part of our commitment of building a smarter path from Farmer's fields to the global market, we are establishing a highly efficient coast to coast Canadian Grain enterprise designed to provide a unique competitive alternative to farmers and superior service to customers and stakeholders. The integrity and resourcefulness of our people are the foundation of that commitment.

Our Values

Integrity - We are fair, honest and ethical in our daily activities. We will do what we say. We keep it real, we speak up, and we lead by example.

Resourcefulness - We are a lean and nimble organization. We use our talents and experience to drive success. We are intuitive, take the initiative, and seek out effective solutions.

Collaboration - We support one another, and together celebrate our success. We recognize that to be successful we must embrace teamwork and extend this practice to our fellow employees, farmers, customers, suppliers, and our stakeholders.

Respect - We hold a deep and genuine regard for the safety of our employees and their families. We treat them with respect, and demonstrate trust and openness. We listen without bias, and place value on others' opinions and ideas.

Accountability - We hold ourselves accountable for our actions and the impact they have on our stakeholders, communities, and each other.
