

Ready for this.

Entrepreneurial since day one, being innovative with purpose is who we are and who we are looking for to continue to succeed. We are looking for driven change-makers. We are ready for you.

The CGI Constitution

CGI's Constitution is a reflection of our Culture. The Constitution is made up of the common **Dream**, **Vision**, **Mission** and **Values** that drive us as we strive together to build a global IT and business consulting services leader. With frameworks and programs founded upon this Constitution, CGI's consultants and professionals have the opportunity to participate in the life and development of their company, which, in turn, results in client loyalty and shareholder growth.

Empowered to innovate

From Technicians to emerging tech Specialists, Developers to Project Managers, CGI is built on great technology experts who make technology work. We are Canada's largest IT and business consulting services firm because we leverage technology to ready business to unearth new value. A career with us means you will have a voice as you become a key player and an owner through our shareholder program.

Technophiles of all fields thrive at CGI and enjoy the diverse opportunities a career with us provides. Our culture of empowerment, entrepreneurial thinking and partnership with experts both locally and globally, gives all members the opportunity and confidence to do their most innovative work.

Making Diversity, Equity and Inclusion a Priority

Here at CGI, we grow and foster innovation for our stakeholders through **inclusive actions** that champion **diversity**, build bridges and promote **openness** and **collaboration**.

In order to create real, actionable change, we are investing in providing the **right mindset**, **skillsets** and **tool sets** to achieve our desired outcomes.
