

Our company

St. Joseph Communications (SJC) is Canada's largest privately owned print, media, and communications company. We started as a small print company operating out of the basement of our founder's home. Today, we bring our decades of award-winning expertise to create, print and publish content for leading brands in North America. Our services include photography, videography, multi-channel marketing, retail strategy, printing and custom content. We are also Canada's largest magazine publisher, with a portfolio of iconic brands including *Toronto Life*, *Maclean's*, *Chatelaine*, *Today's Parent*, *FASHION* and *HELLO! Canada*. For the last 18 years, we have been recognized as one of Canada's Best Managed Companies.

- Understand our customers' evolving needs.
- Take the initiative and never stop learning.
- Build an open, team environment based on mutual respect.
