

Time flies when you do what you love. We know because we've been making great pizza since 1967. Along the way, we've grown to more than 725 restaurants from coast to coast, becoming a trusted brand and leader in the foodservice industry. We're proud of the quality food we make - and the difference we make in communities across Canada. We've made a lot of pies - and memories - over the years.

At Pizza Pizza, it's about more than amazing meals. It's about shared values that bring us together, values like respect, pride, and a commitment to diversity. Every day we try to make our stores more successful and our food more delicious. At the same time we're making our operations more sustainable and giving back to the communities we call home.

OUR RECIPE FOR SUCCESS? OUR PEOPLE.

We're Canada's favourite pizza chain for a lot of reasons, but the most important one is our people. Before that box ever arrives at your door, a diverse team of talented people make it happen, from the head office to the kitchen counter.

This could be any barrier based on age, race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex (including pregnancy), gender identity, gender expression, sexual orientation, record of offences, marital status, family status and disability.

So if you're looking for an exciting position where you can grow and advance with training and support, Pizza Pizza delivers.
