

WHO WE ARE

Royal St. George's College (RSGC or "the College") is an independent, all-boys day school located in the heart of the Annex in downtown Toronto. RSGC is home to 445 students from Grades 3 to 12 and combines academic excellence with a stimulating and supportive environment. The mission of the College, *"to challenge and inspire each boy to become the best version of himself"*, is embraced by all members of the RSGC community.

Our community is based upon the principles that we respect one another, take responsibility for our actions and use our voices. The small size of the school community ensures that each student is known and appreciated for their unique identity and experience a true sense of belonging. At RSGC, we intentionally cultivate an equitable and inclusive campus for our diverse community of students, faculty and staff.

WHY RSGC

RSGC is an intellectual community of students, faculty and staff eager to collaborate and create in an environment where academic excellence, innovation and passion are highly valued commodities. At RSGC, our students come to school eager to learn.

We offer a supportive and rewarding work environment with a competitive compensation package, including participation in a Registered Pension Plan or Ontario Teachers' Pension Plan and welcome all applications from qualified individuals.

At RSGC, we are an equal opportunity employer, committed to fostering an environment of inclusion, equity and belonging to support an increasingly diverse community.
