

# HEY YOU

**THIS IS THE  
LIFE-CHANGING  
OPPORTUNITY  
YOU'VE BEEN  
LOOKING FOR**

Imagine yourself contributing to a health authority which plays a major role in research, education, innovation and health and wellness. **This is the life-changing opportunity you have been waiting for!**

Successful health care operations depend on all departments working collaboratively to communicate effectively and provide quality and safe patient and client-centred care. People are the heart of our organization, and the success of Horizon is a direct result of our employees' dedication, professionalism, and commitment.

Whether you are a physician, a nurse or allied health professional, a professional in another field, or a resident or a student, Horizon will provide you with the opportunity to work for an organization that you can feel proud of!

**Here at Horizon, we are helping people be healthy.**

Our goal is to provide safe and quality care in the communities we serve. When you join the Horizon team, regardless of your role, you become an essential part of delivering exceptional patient and client care.

Horizon focuses on its people through three pillars:

1

**Capability and Capacity Building**

through learning, development and succession planning programs.

2

**Positive Employee Experience**

through engagement and recognition programs.

3

**Safe Respectful Work**

through wellness and safety programs.

*Horizon is committed to enhancing our diverse and inclusive environment for our employees and patients. We believe in a healthcare system that equally supports all people regardless of race, ethnicity, national origin, social background, religion, gender identity or expression, age, disability, or sexual orientation. An environment based on a commitment to diversity and inclusion supports our goal of safe and quality patient care.*
