

abbvie

AbbVie employees work every day to discover and address many of the world's most pressing health challenges.

Delivering Innovation Starts With You

At AbbVie, we come together each day to discover and deliver new ways to improve people's health. Our employees are passionate about our work and inspired by the impact we can have on the health of people and communities around the world. We have thousands of employees with diverse backgrounds, expertise, and perspectives, but our goal to improve people's health gives focus to our work.

Play an Important Role

All career paths lead to the same outcome. Improving lives. Whether you work in the lab, in an office or on the production floor, the objective is the same. We offer development opportunities that provide you the chances to innovate, collaborate and demonstrate your passion for patients and excellence.

Equality, Diversity & Inclusion

Embracing equality, diversity and inclusion is fundamental at AbbVie. We are proud to offer an environment that allows our colleagues around the world to achieve their full potential.

Equality is

appreciating differences and treating people with dignity and respect. It is the fair treatment of people regardless of their visible or less visible characteristics such as gender, race, physical or mental disability, religion, nationality, sexual orientation or age.

Diversity is

valuing and sharing an infinite range of ideas, viewpoints and backgrounds to broaden our perspectives. We seek to build diverse teams at every level of the organization.

Inclusion is

actively accepting each person as an important part of our organization and encouraging collaboration between individuals and teams with different points of view. Inclusion enables a sense of belonging and it is how we create the most value from a diverse team.

Redefining what is possible is our business and our passion. Our people make possibilities real. Discover the possibilities at AbbVie.
