

Atlantic Lottery Loto Atlantique

Created by the four Atlantic provincial governments in 1976, Atlantic Lottery exists to build a stronger Atlantic Canada. Our team is made up of an engaged, skilled and dedicated workforce committed to social responsibility and operational integrity. Atlantic Lottery employees live, work and play in the communities we serve.

Atlantic Lottery is a player-focused, results-driven digital gambling experience company. We provide legal, regulated and responsible lottery products to Atlantic Canadian adults who choose to play. We put our players first and embrace their high expectations of us because we know they have more options than ever before.

Each year, 100% of our profit stays right here in our communities. As a publicly owned corporation, Atlantic Canadians and their communities are at the heart of everything we do. We love this place and we are dedicated to making our home better for everyone by creating lasting and meaningful impacts in our communities. We celebrate wins big and small every day, but win or lose, Atlantic Canadians can be proud to play our games.

Our product line has grown and changed over the years and so has our workforce! Today's Atlantic Lottery has more than 650 employees, who are the heart and soul of our business. We offer players everything from traditional draw, scratch and breakopen tickets to online bingo, instant win and casino games, as well as sports wagering, video lottery and more.
