## **DIVERSITY - Orange in all its tones**

At The Home Depot Canada, we support and promote diversity as part of our core values. Our diversity and inclusion strategy represents our ongoing commitment to our associates and communities to provide an environment that is, and feels, inclusive for all.

The Home Depot of Canada has four associate resource groups. These groups showcase the Company's commitment to diversity and inclusion, and are focused on driving associate engagement through: Professional development, networking, education and awareness, and community outreach. We pride ourselves on integrating all cultures into the orange community.

**Orange Ability** - Orange Ability's mission is to foster an inclusive environment at The Home Depot where people of all different abilities are able to achieve success and reach their full potential.

**Orange Pride** - Orange Pride has a mission to celebrate lesbian, gay, bisexual and transgendered (LGBT) associates and allies by creating an inclusive environment built on the foundation of acceptance, community and understanding.

**Orange Mosaic** - Orange Mosaic has a mission to act as a resource for The Home Depot and our associates by encouraging intercultural understanding through celebration, education, and providing culturally specific insight to drive business growth.

**Orange Women's Network** - Orange Women's Network's mission is to promote professional growth for women at Home Depot through networking, development activities and community outreach.
