

Who We are

The London Health Sciences Centre is at the heart of a healthy community where we work to shape the future of health. Join Team LHSC and be part of a dynamic and innovative organization committed to providing compassionate, equitable and exceptional patient-centered care.

Home to Victoria Hospital, University Hospital and Children's Hospital, LHSC is one of Canada's largest acute teaching hospitals. We pride ourselves on collaborating with patients and system partners to deliver excellent care experiences and outcomes, educating the health care providers of tomorrow and advancing new discoveries and innovations that optimize the health and well-being of those we serve. Patients are at the centre of everything we do. Guided by compassion, teamwork, curiosity and accountability, we are a progressive workplace that lives its mission, vision and values while dedicated to providing a safe and healthy work environment that inspires respect for all individuals, collaboration and teamwork.
