

Be part of  
something big!

The City of Mississauga is one of the most diverse cities in Canada.

It is also considered one of the most diverse in the world with over 60% of residents identifying as visible minority (according to Statistics Canada 2021 Census).

The City is committed to Reconciliation with our Indigenous partners and advancing anti-racism, equity, diversity, inclusion and accessibility for all who live or work in Mississauga. We understand this process is ongoing and acknowledge we have a lot of work ahead to build and implement the strategies necessary for lasting change. This is why we are dedicated to transparency and will continue to share the City's progress and response to equity, diversity and inclusion (EDI).

As part of the City's commitment to removing barriers to employment for newcomers, we recognize all foreign education and experience. We encourage all foreign-trained applicants to have their academic credentials evaluated prior to applying for employment in order to accurately interpret and compare to Canadian equivalents

All candidates are encouraged to apply, and we hope you will choose the City of Mississauga, where you can become part of something BIG! View our [current openings](#) and learn more about what we can offer you at the City of Mississauga [Culture and Rewards](#).
